

I am an experienced non-executive director and Audit & Risk Committee chair.

In addition to my financial acumen, I have over fifteen years' experience leading companies through digital transformation and change, with particular expertise in mitigating risk and managing high-performing teams.

My strength is in stakeholder management, having worked across cross-functional teams both at a global and international level for much of my career.

I am a Fellow of the Australian Institute of Company Directors and a Fellow of CPA Australia.

## Key Capabilities

### Strategy – Digital Transformation

Involved in several successful programs to leverage emerging technologies and drive commercial performance.

### Global and ASX-Listed Executive Leadership roles

Experienced in and contributed to strategic and cultural business programs on a global scale; broad leadership capability across several sectors.

### Streamlining and strengthening Governance practices

Reviewed and rewrote charters, implemented succession planning and refreshed risk framework across several industries including education, finance, healthcare and manufacturing.

### Complex stakeholder management

Media representative and liaison at a national and international level; complex management of internal and external stakeholders.
